

NEWTON COUNTY WATER AND SEWERAGE AUTHORITY

Newton County Water and Sewerage Authority is considering extending a water main in your area. In order to provide a realistic cost estimate the Authority needs to determine the amount of potential customers that would connect to the water system if installed. Please complete this form and mail back to the Authority as soon as possible.

_____ I am interested in Authority water being installed on my road and I am willing to tap on the water when it is being installed.

_____ I am NOT interested in Authority water being installed on my road.

Name _____

Address _____
